

MASA Metalsmithing Conference Registration Form
September 7, 2024

Come join us for our annual Hammer-in on the Tuckahoe Steam and Gas Show grounds, located at 11472 Ocean Gateway, Easton, MD 21601. The event is a one-day teaching conference. There will be several forges running simultaneously with different teaching stations. The stations will vary between beginners blacksmithing, beginners knife making, intermediate forging, etc. People will take turns going to whichever stations they want to, try as many as you want to. So, invite your friend who always wanted to try forging iron but never had the chance. This event is open to anyone who wants to come. Of course you're not required to forge, you are welcome to simply come and watch and share your knowledge. **Please note that we are limiting the forging participation portion of the event to 12 years old and up. Younger participants are more than welcome to attend and watch and of course fall under the reduced registration fee.**

The event will be only 1 day – Saturday September 7 - Cost per person will be \$50. Non-blacksmithing spouses and children \$15.00. The conference begins at 9 am Saturday and runs until 4ish. We will have Iron in the Hat (no auction) so please bring an item. Breakfast and lunch are available for purchase at the show grounds. Dinner Saturday evening will include roast beef, mashed potatoes green beans & all the trimmings + desert. **Dinner is included with registration fee.** Camping is free with showers on the grounds; no water or 220 electric hook-ups available for the campers. There will be space provided for tailgating.

Fill out this form and send it along with your registrations fees to **Patricia Harvey 8341 Black Dog Alley, Easton, MD 21601**. Make checks payable to MASA.

Mid-Atlantic Smiths Association (MASA) Liability Release Form

Mid-Atlantic Smith's Association (MASA) hereby specifically disclaims any and all responsibility or liability for, and I hereby irrevocably release MASA from, any and all claims, whether known or unknown, which I may have relating to: any and all damages to the student/member/attendee or any personal property of the student/member/attendee, including without limitation, indirect and consequential damages or injuries as a direct or indirect result of the inherent risks of blacksmithing; any liability relating to instruction, construction, design, use of any MASA or host(s) equipment or facilities, manufacture of any product, or any other activity undertaken in conjunction with classes, workshops or seminars offered by MASA or as a result of the use or application of information given or contained in any class, workshop or seminar offered by MASA or contained in any writing given to me by MASA or any actions taken by me while on the MASA or host(s) premises with respect to construction, design, use of equipment or facilities or manufacture of any product.

I hereby represent and warrant that I understand that by signing this document, I may be waiving certain legal rights. I understand that I will be responsible for all actions taken at the MASA or host facility including without limitation, use of equipment and facilities. I understand that I am solely responsible for any and all damages, whether direct or consequential, for the use and application of information given at any seminar, workshop or class or contained in any writing distributed by MASA. I understand that my negligence or failure to act within my abilities may contribute to or result in an injury. I, the undersigned, realizing the potential hazards involved in the craft of blacksmithing, will not hold the Mid-Atlantic Smiths Association, its officers, demonstrator(s), host(s) responsible for any accident of injury incurred during a guild function or at any time during a sponsored MASA event.

I am aware of the requirement to wear safety glasses during association demonstrations and of the possibility of hearing damage due to the nature of the craft. It will be my responsibility to inform any family member or guest that I may bring to a demonstration of potential dangers and advise them of all necessary precautions.
